COLLAGE: Applying Data to  
Improve Healthy Aging Outcomes:  
What are COLLAGE Communities  
Doing?

# Why COLLAGE for ESP?

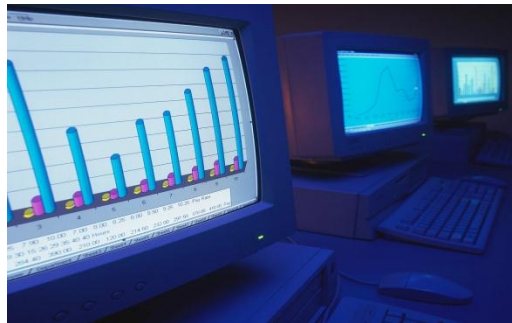

- Strategic Initiative 2010-2013
- Develop “Culture of Wellness”
- Identify and implement wellness programs and activities designed to support all 7 dimensions of wellness: physical, emotional, spiritual, intellectual, social, vocational and environmental

# What will ESP do with COLLAGE Data?

- Identify trends in ESP Community
- Develop programs and services to benefit ESP stakeholders
- Benchmark against other aging-services communities
- Grant funding

# Patterns Developing

- Getting to know residents at a personal level
- Resident's perception of how they are functioning vs. how we perceive they are functioning
- Determination to “age in place”
